Duty to keep and display licence

The holder of a premises licence must ensure that the licence or a certified copy of it is kept at the premises in the custody of or under the control of the holder of the licence or a person who works at the premises whom the premises licence holder has nominated in writing. A notice should be prominently displayed at the premises specifying the position of any such nominee.

The premises licence holder has a duty to ensure that a summary of the licence or a certified copy of that summary is prominently displayed at the premises.
