

WISER WEEKDAY WEDDINGS

HERE ARE 6 REASONS TO GET MARRIED MON-WED

1. Choice - this means that those bride and grooms who are not fixed to a Friday or Saturday will have lots more choice in terms of dates on the calendar.
2. Significant day - you may want to get married on a significant date that falls on midweek days, for example - when you proposed, when you met or even a birthday to help you remember your anniversary date!
3. Cost - choosing a Monday - Wednesday means that you could save significant costs in all aspects of your wedding, not just with the venue, but also hotels, florists, entertainment and much more.
4. Registrar flexibility - although registrars of Cheshire East can accommodate most weddings in the county, when choosing a weekend date it is not uncommon to be restricted into a time for your ceremony that you may not have dreamt of. With midweek bookings you will have no such problem and the choice will be yours!
5. Supplier availability - the best suppliers are booked up like the best venues and opting for a Monday - Wednesday means you will be able to have a huge amount of choice meaning you can chose the best florists, entertainment, photographer and much more.
